Proud Owners

Carol & Andy ~ Owners

Welcome to GT's On The Beach!

We are Andy & Carol, proud owners of GT's since 2009 although Carol has worked here as a manager since 1995. We have both been in the restaurant industry our entire lives and actually met while working at a restaurant in London. We feel extraordinarily privileged to own GT's and to be part of the Port Stanley Community. In 2008 we were just 2 months pregnant with our second child when the opportunity to own GT's was presented. We had two children and bought a business in the span of 22 months! Life was crazy for a while but it was all worth it.

Carol grew up in Chatham while Andy grew up just up the highway in Union. We have two boys, Jonny aged 10 and Zach aged 11. Zach lives for hockey and baseball while Jonny loves basketball. Andy enjoys playing rec hockey in the winter and Carol is proud to be on her second stint as chair of the Port Stanley Business Improvement Area.

We are often asked "What do you do in the winter?" The reality is we take around 6 weeks off over Christmas but it takes about 6 weeks to clean and close up each Fall. January-March are spent booking bands, creating the menu, hiring new staff, updating the website and getting ready for the new season. In April it takes about a month to get open and then we are open May-September. Like every business, it's our customers who make us what we are. We are so very grateful for each and every one of you. Thank you for coming to GT's, we hope you love it as much as we do.
